Services

Your Graduation

The Center for Academic Programs and Student Services (CAPSS) is designed to help Gallaudet students discover and achieve their academic, career, and personal goals. Through research, an outcome-oriented curriculum, and a comprehensive approach to academic support services, CAPSS ensures that every student achieves their full potential.

CAPSS services include:

Academic Advising - helps undergraduate students develop appropriate educational plans that are consistent with their academic, career, and personal goals. The office also serves as a resource for faculty, staff, parents, vocational/rehabilitation counselors and others with concerns about the welfare of students.

Career Center - offers resources designed to help students gain the necessary skills, confidence and knowledge to enter effective career decisions, to assess and achieve their career goals, and to succeed in the business and professional world.

English Workshop - provides learning tools designed to help students achieve reading and writing excellence.

First Year Experience - provides comprehensive living and learning experiences to first-year students that help foster a successful transition to college and academic success.

Monitoring Program - supports and encourages first- and second-year students as they make the transition to college life and begin to explore career options.

Office for International Programs and Services - provides support to U.S. citizens and international students who benefit from academic and international studies, faculty, staff and students.

Office for Students with Disabilities - strives to ensure equal access and opportunities to eligible students for both academic and non-academic services through comprehensive support services and programs.

Research & Instructional Programs - provides first learning, writing, advice, and instructional support services for all students. *“One size fits all” Services!*
